Busy Term

Thanks to everyone for their efforts during Term 3. It was a very busy term and I appreciate how hard the staff and children have worked. A special thanks to Mrs Nicole Herring for her work in Quenda 1 whilst Mrs Jennings was away on Long Service Leave. Congratulations to all those children from Pre Primary to Year 6 who were able to attend yesterday afternoon's Good Standing rewards incursion. Your behaviour is just magical!

Interschool Athletics

Congratulations to all those children and staff who represented our school at this year's athletics carnival. The children tried so hard for the school and came third in what was a very competitive division. Thanks to those families who came and supported the team. Our school has been invited by Clarkson Primary to participate in another carnival in Term 4. Information will be sent home with those children participating closer to the carnival.

Need to Improve

The one aspect of our school that is falling well below our high expectations is our attendance rate. Whilst we have had students hit hard by the flu, our rate of just over 60% is very disappointing. Please use the holidays to rest and recuperate so that children can come back to school healthy and full of energy.

Dangerous Parking

In the afternoons I move around to make sure that our children can leave safely at the end of school. When I was up at the community centre, I noticed that some parents were parking on the entry verge of the community car park. This is very dangerous as it blocks the view of cars both entering and leaving the car park. We understand that the lack of parking around the school is frustrating, but please consider all the safety aspects of where you park. Thank you.

Good Standing Reward

Yesterday the children enjoyed a hugely funny and entertaining show as a recognition of their Banksia Grove STAR behaviour.

Mr Jim had everyone amazed and amused.
