## ***A New School Record!***

286 Onesies! What an amazing response by our children and staff to our annual 'Onesie Day'. We raised \$620 in support of Ngala's Good Night's Sleep Campaign.

More importantly, our students were able to show off the school's positive culture to Mrs Fiona Beermier, Ngala's CEO. She was thrilled to be included in such a special event and she noted how well behaved and happy the children were.

We know how terrific our school is but it's very rewarding to hear the feedback from such an important member of the wider community.

## **Nature Play Update**

The school would like to thank Mr Tim Cooper for providing the school with its first piece of nature play equipment. The massive tree trunk is going to provide children with an amazing play space over the coming years.

The school is very appreciative that Mr Cooper was able to organise its delivery during the last school holidays. The school is in the process of making decisions about other equipment for the nature play area. Stay tuned for further updates!

## P&C Fundraising Efforts

I'm looking forward to colour bombing all the participants in tomorrow's Colour Fun Run. There has been a lot of work going on behind the scenes and it is a real credit to Lisa, Jarae and their helpers in the P&C to get it organised.

Please take the time to say thank you as you change colours.

## Learning Journey

Come along on Wednesday 25th October to join us in a Learning Journey and then go on a wander around to the rest of the school. What is Learning Journey? This is part of our reporting to parents process and its an opportunity to see your child's day to day work.

This will commence in your child's classroom at 2.30pm and go through until 3.00pm. From 3.00m to 4.00pm the whole school will be open, to see what other classes are doing.

## Teachers Assembly

Students are encouraged to dress up as their teacher on Friday 27th October, otherwise they must wear their school uniform (compulsory). No donation is required.
