Friday 2nd March <b>NO SCHOOL</b>	<b>Professional Learning for teachers.</b> <b>NO SCHOOL</b>
Monday 5th March <b>NO SCHOOL</b>	<b>LABOUR DAY PUBLIC HOLIDAY</b> <b>NO SCHOOL</b>

## Dear Parents/Caregivers,

### New Staff

We are very pleased to welcome our new School Psychologist to our team. Ms Emme Vinney will be here three days a fortnight. Ms Vinney will provide support to children and teachers.

### Skipping

We have just taken delivery of a new set of skipping ropes and have begun morning fitness from Years 1 to 6. To kick this off we had a mini assembly with a representative from *Jump Rope for Heart*. He demonstrated some of his skills and encouraged students to participate in the upcoming 'skip-a-thon' which is on Tuesday 20th March, Week 8. More information to follow closer to this date.

### Hats

Our new school hats are being worn consistently in all outdoor activities and look fantastic. If your child accidentally brings home their school hat, please make sure it comes back the next day.

### Head Lice

Parents are reminded to do a weekend check for head lice (nits) *every* weekend. The school also sends a note home to all those children in a class where we have had live lice please act *that* day to check your child’s hair to keep this pesky, expensive and time consuming problem under control.

There is lots of terrific information on websites including:  
[http://healthywa.wa.gov.au/Articles/F\\_I/Head-lice](http://healthywa.wa.gov.au/Articles/F_I/Head-lice).

The Health Department recommends:

- ⇒ Check hair regularly for head lice and eggs. Early treatment of head lice can prevent it spreading further to close contacts.
- ⇒ Tie long hair back.
- ⇒ Hair gel or mousse may help keep stray hair strands from coming in contact with other heads.
- ⇒ Avoid sharing combs or brushes.
- ⇒ If you have recently had head lice, leave brushes and combs in hot water for 10 minutes after use to kill any trapped head lice or eggs. Clean them with an old toothbrush to help remove any waste.

# P & C NEWS

“Thought That Counts Grant”

## WE WON!

A huge thank you to everyone who voted for our video, we won the largest portion of the prize money and now have \$1500 to put towards building our monkey bars in the early childhood area!
