## SCHOOL ENROLMENT

Thanks to Coles and Woolworths for allowing the school to display our enrolment board in their centres. The board has complimented our two new enrolment signs.

With the new school opening up for kindy and pre-primary enrolments, places at our school are limited and will be capped in keeping with Education Department policy. Local area boundaries will be coming out soon but there will be exceptions made for those with older siblings or special requests.

## SWIMMING FEEDBACK

Congratulations to all those students who attended this year's swimming lessons. Feedback from the swimming coordinator was that the behaviour of the children was very good. I would also congratulate our staff whose proactive supervision was also appreciated by the pool staff. Can families please keep the swimming certificate in a safe place for next year so that your child can start in the right level?

## WET WEATHER

With the wet weather upon us, please take extra care when driving around the school. Children can be difficult to see and the slippery roads make it harder to stop. If your child walks home, please ensure they have suitable wet weather attire.

Don't forget to check the Skoolbag APP regularly for updates, eforms, community news (including sporting groups etc.).

Haven't downloaded our APP yet?

Go to your APP or Play Store and search Banksia Grove Primary School.

Install the APP and make sure you set your notifications.

Never miss anything going on at school or in the community.

The eforms category allows you to complete forms such as permission slips for swimming and excursions, absentee notifications and change of details.

Just a reminder that with the cold weather children tend to eat more. Please check with your child/ren have enough food packed for the day.

Whilst the school will provide emergency food to those students in need, there are limited supplies.

## Lake Adams Fun Walk

On the Saturday 16<sup>th</sup> June (this date has been changed) "Dad's in the Grove" will be holding a fun walk event around the beautiful Lake Adams bush in the hidden spaces of Banksia Grove. In partnership with the Fathering Project and Banksia Grove Primary School, we invite dad's (and/or any type of Father figure – Grandparent, uncles, single mums) to take this opportunity as a fun and engaging way to bond with their kids.

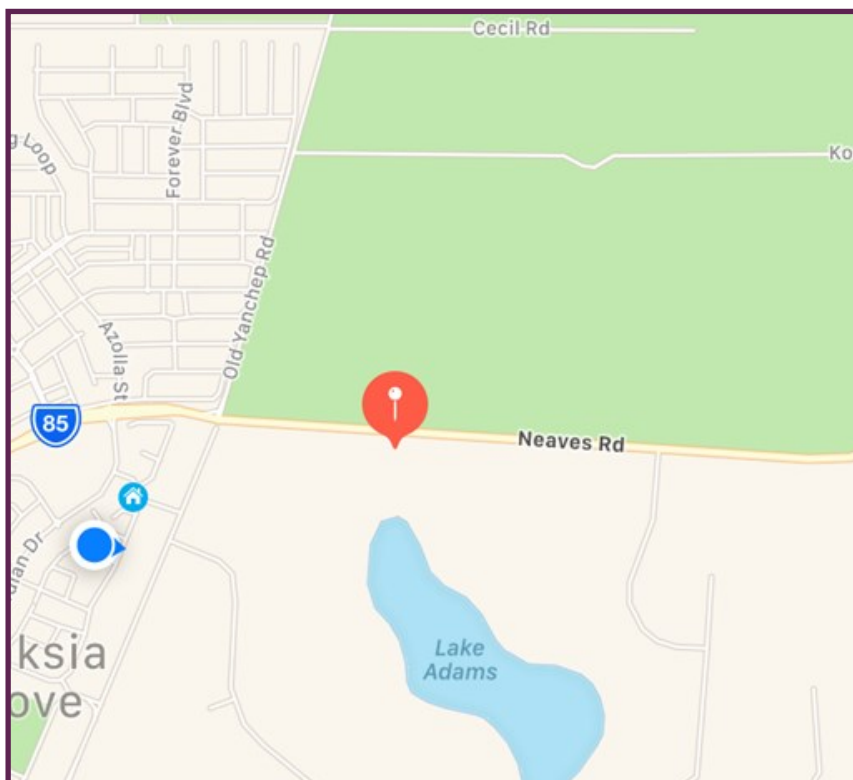

The Lake Adams bush walk is a 3km walk amongst beautiful bush scenery that is engaging to kids from beginning to end and suitable for ages 3 and up. Families/groups will be given a map to follow and must locate special markers along the walk to complete a story riddle and be awarded a certificate of completion at the end.

The event is free to attend. You will need to bring water and maybe some snacks, enclosed shoes/runners, appropriate clothing etc. The walk is not appropriate for prams, bicycles, scooters etc. We look forward to seeing you there.

### Event starts at 10AM

Entry/Meetup point is off Neaves Rd just outside of Banksia Grove (see below map)

There are plenty of spaces for parking cars

# P & C NEWS

**The next P&C Meeting is on
